# MECHANICAL & ELECTRICAL ENGINEERS

Fully certified electrical installation,  
service and maintenance

Here at BK we can offer a 24 / 7 breakdown service on all types of electrical and mechanical plant and machinery.

## Electrical services include:

- Electrical design & installation
  - Servicing & repair
- 24 hour breakdown response
- Control panel design & build
  - Planned maintenance

## Mechanical services include:

- Design & installation
- Steel work & fabrications
  - On-site welding
- Planned maintenance

Based just outside Hungerford we are situated very close to the M4, allowing us to have quick response times to help keep your companies downtime to a minimum.
